

5th Annual Fox Hopyard Military Muster Golf Tournament **SPONSORSHIP OPPORTUNITIES**

Greetings. On behalf of the Committee for the Fox Hopyard Military Muster Golf Tournament, we respectfully ask you, as a company or business owner/representative, to consider sponsoring a portion of our September 15th Tournament. The annual event was established five years ago to raise funds for a worthy military charity and to provide for a day of camaraderie among those who have served or are serving in one of the five armed forces of the United States of America. Our primary charity this year is **Fisher House Foundation**, serving military and veterans' families in their time of need.

To sponsor, please donate to one or more of the following categories:

- TEE SPONSOR - Your Company Name and/or Logo or Tag Line on a Tee Sign
\$100 Minimum Donation
- DIRECT CONTRIBUTION to **Fisher House Foundation** via the tournament.
Any Amount is Appreciated.

Last year, the tournament raised over \$12,000 for a worthy charity. More than 120 military golfers will be participating this year. Each will contribute \$135. Any funds remaining after the tournament's expenses will be sent to Fisher House Foundation with a list of all donors.

Please use the attached form to send in your contribution. On behalf of each of our military golfers and the Fox Hopyard Golf Club, we thank you in advance for your kind consideration.

The Committee:

*Andrew Brennan, USMC
Phelps Platt, USN
John Deware, USAF*

Fisher House™ Foundation is a not-for-profit organization under Section 501(c)(3) of the IRS code.

The Fisher House™ Program

The Fisher House™ program is a unique private-public partnership that supports America's military in their time of need. The program recognizes the special sacrifices of our men and women in uniform and the hardships of military service by meeting a humanitarian need beyond that normally provided by the Departments of Defense and Veterans Affairs.

Because members of the military and their families are stationed worldwide and must often travel great distances for specialized medical care, Fisher House™ Foundation donates "comfort homes," built on the grounds of major military and VA medical centers. These homes enable family members to be close to a loved one at the most stressful times - during the hospitalization for an unexpected illness, disease, or injury.

There is at least one Fisher House™ at every major military medical center to assist families in need and to ensure that they are provided with the comforts of home in a supportive environment. Annually, the Fisher House™ program serves more than 10,000 families, and have made available nearly three million days of lodging to family members since the program originated in 1990. By law, there is no charge for any family to stay at a Fisher House operated by the Department of Veterans Affairs; and Fisher House Foundation uses donations to reimburse the individual Fisher Houses operated by the Army, Navy, and Air Force. No family pays to stay at any Fisher House!

The Fisher House program is a unique private-public partnership that supports America's military in their time of need.

A long-term stay in a military hospital, sometimes thousands of miles from home, could mean expensive lodging and long separations from loved ones. But in recognition of the special sacrifices of severely wounded or ill service members and their families, the Fisher House Foundation donates "comfort homes" so that America's military families can be together during extended treatment for serious illness or lengthy physical and/or occupational therapy.
